Helping **Girls** and **Teens** of Color *Achieve their Potential*

UrbanGirlz, Inc. is an award-winning national 501c3 nonprofit organization which works to empower girls and teens of color with tools needed for future success.

Since its inception in 2007, UrbanGirlz has impacted the lives of over **15,000** teens through its' innovative online community, www.urbangirlz.org, which is designed to inspire, educate and celebrate girls and teens of color.

The **UrbanGirlz Community Impact Initiative** moves into the communities of America through the **UG Etiquette Workshop, UG Clubz and a Pre-Debutante/Leadership Program for girls and teens.**

Call to Action

You can make a difference in an urban girl's life by **investing** in the community impact initiative, **get in the know...** Do you know the five top problems urban girls and teens face? **Get Involved.....** Your wisdom and expertise can help girls and teens become confident and productive women.

UrbanGirlz Community Impact Initiative Works To....

- Equip girls and teens of color with needed social etiquette skills.
- Provide a forum for girls and teens of color to be celebrated, educated and inspired online.
- Provide a platform for young women to be educated on issues inique to being young, black and female.
- Provide parental support through online UrbanMomz Club.
- Provide leadership training and skills for girls and teens of color.

Invest....Get in the Know....Get Involved

Yearly, the national UrbanGirlz.org staff certifies women across the country to work with girls and teens of color. Through national and local involvement, women become **Junior Debutante Coordinators, Etiquette Instructors, Board Members** and much more.
